Membership shall be appurtenant to ownership of each Lot, and may not be separated from ownership of each Lot.

The owner of each Lot, whether one or more entities, shall be entitled to one (1) vote for each Lot owned on each matter properly coming before the Members of the Association.

Such expansion may be affected from time to time by the Declarant by recordation with the Register of Deed of Douglas County, Nebraska, of an Amendment to Declaration, executed and acknowledged by Declarant, setting forth the identity of the additional residential lots which shall become subject to this Declaration.

In addition, the Amendment to Declaration may declare that all or any part of the additional residential lots which shall become subject to this Declaration shall be Boundary Lot as that term is defined in Article II herein and such additional Boundary Lot shall be subject to all restrictions and obligations on Boundary Lot set forth herein.

The Association shall provide exterior maintenance services upon each Lot upon which shall be erected a single family residence commencing at the time of occupancy or six months after completion of construction which ever shall occur first in the manner specified as follows (herein the "Exterior Maintenance Services").

A. The Owner is responsible for replacement of all dead trees, shrubs and bushes or other exterior landscaping improvements and upon failure to do so and after notice as provided in Article I Paragraph 22 hereof, each owner shall allow the Association to replace such dead trees, shrubs and bushes or exterior landscaping improvements at the expense of the Owner of record at the time of replacement and the owner shall reimburse the Association on demand. ARTICLE V.
DUES AND ASSESSMENTS.

1. Imposition of Dues and Assessments. The Association may fix, levy and charge the Owner of each Lot with dues and assessments (herein referred to respectively as "dues and

assessments") under the following provisions of this Declaration. Except as otherwise specifically provided, the dues and assessments shall be fixed by the Board of Directors of the Association and shall be payable at the times and in the manner prescribed by the Board of Directors of the Association.

2. Abatement of Dues and Assessments. Notwithstanding any other provision of this Declaration, the Board of Directors may abate all or part of the dues and assessments in respect of any Lot, and shall abate all dues and assessments due in respect of any Lot during the period such Lot is owned by the Declarant. Lots owned by the Declarant shall not be subject to imposition of dues, assessments or Association liens.

3. Liens and Personal Obligations for Dues and Assessments. The assessments and dues, together with interest thereon, costs and reasonable attorneys' fees, shall be the personal obligation of the Owner of each Lot at the time when the dues or assessments first become due and payable. The dues and assessments, together with interest thereon, costs and reasonable attorneys' fees, shall also be a charge and continuing lien upon the Lot in respect of which the dues and assessments are charged. The personal obligation for delinquent assessments shall not pass to the successor in title to the Owner at the time the dues and assessments become delinquent unless such dues and assessments are expressly assumed by the successors, but all successors shall take title subject to the lien for such dues and assessments, and shall be bound to inquire of the Association as to the amount of any unpaid assessments or dues.

4. Purpose of Dues. The dues collected by the Association may be committed and expended to accomplish the purposes of the Association described in Paragraph 1 of Article III, and to perform the Powers and Responsibilities of the Association described in Paragraph 4 of Article III and to perform the Exterior Maintenance Services described in Paragraph 1 of Article IV.

5. Annual Dues. The amount of the annual dues for the Association shall be established from time to time by the Board of Directors of the Association.

6. Exterior Painting Services. The cost for exterior painting services maybe assessed by the Board of Directors against each Lot either at the time of incurring the exterior painting services or by establishing monthly dues for each Lot for the purpose of creating a fund to pay for the exterior painting services, as required by the Board of Directors.

7. Excess Dues and Assessments. With the approval of seventy-five percent of the Members of the Association, the Board of Directors may establish dues and/or assessments in excess of the maximums established in this Declaration.

8. Monthly Assessments. The monthly assessments shall be paid prorata by the Owners of all Assessable Lots based upon the total number of Assessable Lots; provided, however, the Board of Directors of the Association may equitably adjust such proration if it determines that certain Assessable Lots on which all of the Improvements are not yet completed do not receive all of the benefits for which such assessments are levied. The monthly assessments may be collected on a monthly or other periodic basis by the Association. The Board of Directors of the Association

shall fix the amount of the monthly or other periodic assessments against each Assessable Lot. Written notice of the assessment shall be sent to every Owner subject thereto. The dates on which payments are due shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the dues and assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of the assessments on a particular Assessable Lot shall be binding upon the Association as of the date of its issue by the Association.

9. Effect of Nonpayment of Assessments-Remedies of the Association Any installment of dues or assessment which is not paid when due shall be delinquent. Delinquent dues and assessment shall bear interest from the due date at the rate of Fifteen percent (15%) per annum, compounded annually. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot or Lots, and pursue any other legal or equitable remedy. The Association shall be entitled to recover as a part of the action and shall be indemnified against the interest, costs and reasonable attorneys' fees incurred by the Association with respect to such action. No Owner may waive or otherwise escape liability for the charge and lien provided for herein by nonuse of the Common Area or abandonment of his Lot. The mortgagee of any Lot shall have the right to cure any delinquency of an Owner by payment of all sums due, together with interest, costs and fees. The Association shall assign to such mortgagee all of its rights with respect to such lien and right of foreclosure and such mortgagee may thereupon be subrogated to any rights of the Association.

10. Subordination of the Lien to Mortgagee. The lien of dues and assessments provided for herein shall be subordinate to the lien of any mortgage, contract or deed of trust given as collateral for a home improvement or purchase money loan. Sale or transfer of any Lot shall not affect or terminate the dues and assessment lien.

ARTICLE VI. EASEMENTS

1. In addition to the easement provided in Article IV, Paragraph 3 herein, a perpetual license and easement is hereby reserved in favor of and granted to Omaha Public Power District, U.S. West Company, and any company which has been granted a franchise to provide a cable television system within the Lots, Metropolitan Utilities Company, and Sanitary and Improvement District No. 420 of Douglas County, Nebraska, their successors and assigns, to erect and operate, maintain, repair and renew buried or underground sewers, water and gas mains and cables, lines or conduits and other electric and telephone utility facilities for the carrying and transmission of electric current for light, heat and power and for all telephone and telegraph and message service and for the transmission of signals and sounds of all kinds including signals provided by a cable television system and the reception on, over, through, under and across a five (5) foot wide strip of land abutting the front and the side boundary lines of the Lots; an eight (8) foot wide strip of land abutting the rear boundary lines of all interior Lots and all exterior Lots that are adjacent to presently platted and recorded Lots; and a sixteen (16) foot wide strip of land abutting the rear

boundary lines of all exterior Lots that are not adjacent to presently platted and recorded Lots. The term exterior Lots is herein defined as those Lots forming the outer perimeter of the Lots. The sixteen (16) foot wide easement will be reduced to an eight (8) foot wide strip when such adjacent land is surveyed, platted and recorded.

2. A perpetual easement is further reserved for the Metropolitan Utilities District of Omaha, their successors and assigns, to erect, install, operate, maintain, repair and renew pipelines, hydrants and other related facilities, and to extend thereon pipes, hydrants and other related facilities and to extend therein pipes for the transmission of gas and water on, through, under and across a five (5) foot wide strip of land abutting all cul-de-sac streets; this license being granted for the use and benefit of all present and future owners of these Lots; provided, however, that such licenses and easements are granted upon the specific conditions that if any of such utility companies fail to construct such facilities along any of such Lot lines within thirty-six (36) months of the date hereof, or if any such facilities are constructed but are thereafter removed without replacement within sixty (60) days after their removal, then such easement shall automatically terminate and become void as to such unused or abandoned easementways. No permanent buildings, trees, retaining walls or loose rock walls shall be placed in the easementways but same may be used for gardens, shrubs, landscaping and other purposes that do not then or later interfere with the aforementioned uses or rights granted herein.

3. A perpetual easement is further reserved in favor of the Declarant and the Association, its successors and assigns, to create, install, repair, reconstruct, paint, maintain, and renew a landscape buffer and related accessories located on, over and upon the west sixteen (16) feet of the east twenty-four (24) feet of Lot 20.

4. Other easements are provided for in the final plat of Briar Hills which is filed in the Register of Deeds of Douglas County, Nebraska (Book 2082, Page 396).

ARTICLE VII. GENERAL PROVISIONS

1. Except for the authority and powers specifically granted to the Declarant, the Declarant or any owner of a Lot named herein shall have the right to enforce by a proceeding at law or in equity, all reservations, restrictions, conditions and covenants now or hereinafter imposed by the provisions of this Declaration either to prevent or restrain any violation or to recover damages or other dues of such violation. Failure by the Declarant or by any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

2. The covenants and restrictions of this Declaration shall run with and bind the land in perpetuity. This Declaration may be amended by Declarant, or any person, firm, corporation,

partnership, or entity designated in writing by Declarant, in any manner which it may determine in its full and absolute discretion for a period of five (5) years from the date hereof. Thereafter, this Declaration may be amended by an instrument signed by the owner of not less than seventy-five percent (75%) of the Lots covered by this Declaration.

3. By written consent of the Declarant for a period of Five (5) years from the date hereof, any or all of the covenants, conditions, restrictions and easements as they apply to the Lots may be waived, modified, or amended for any Lot or Lots, in any manner, for such a time period, and on such conditions, if any, which the Declarant may determine in its full and absolute discretion after considering the benefits and detriments which the waiver modification or amendment will have on Briar Hills and the Owner requesting the waiver. Declarant's decision on any requested waiver, modification or amendment shall be final and there shall be no right of appeal of Declarant's decision. No responsibility, liability or obligation shall be assumed by or imposed upon Declarant by virtue of the authority granted to Declarant in this Paragraph, or as a result of any act or failure to act by Declarant with respect to any requested waiver, modification or amendment.

4. Declarant, or its successors or assign, may terminate its status as Declarant under this Declaration, at any time, by filing a Notice of Termination of Status as Declarant. Upon such filing, Association may appoint itself or another entity, association or individual to serve as Declarant, and such appointee shall thereafter serve as Declarant with the same authority and powers as the original Declarant.

5. Invalidation of any covenant by judgment or court order shall in no way affect any of the other provisions hereof, which shall remain in full force and effect.
